Fall has arrived (Where did the rest of the year go) and our thoughts go to all the events that come with this season. Our celebration of the fall holidays will be very different this year due to the pandemic. Some traditional events will be passed over and friends are discouraged from gathering in large groups. There is one event that we must all participate in and that is VOTING.

This year we have different ways to vote. To start with, we must be sure that we are registered to vote. There are options in the method we use to vote. We have the option to vote in person on election day (November 3), or vote in person during early voting. Ballots will be mailed to all registered voters in Nevada. The ballots can be dropped off at various locations or mailed back in the addressed envelopes included with the ballot. YOU MUST SIGN THE ENVELOPE BEFORE MAILING OR YOUR VOTE WILL NOT BE COUNTED.. When you receive your ballot, please fill it out and mail it back as soon as you can.

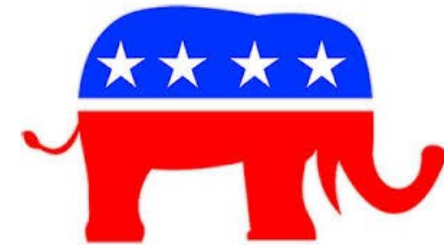

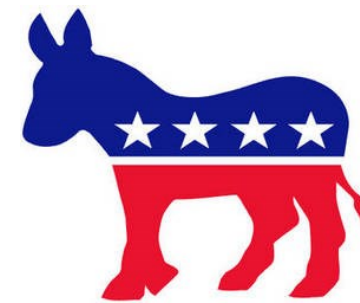

Included with this issue of the Senior Moment is the endorsement list made after interviews of first time Candidates and evaluations made on the actions of incumbents. We make these choices disregarding political affiliation and focusing on performance. Candidates we endorse must have an agenda that protects Seniors, especially Retired Public Employees.

Protecting the Public Employees Retirement System is one of our top priorities. Saving Social Security and Medicare, Medicaid are also top priorities. We also have great concerns about Elder abuse and Senior Housing. These are some of the concerns the committee used to provide endorsements that benefit and protect Retirees.

Any infringement on the well being of Retirees will be met with strong resistance. You can help by voting in the 2020 election. THANK YOU.
